

BE READY FOR LOCKDOWN LIFTING

Get your buildings ready for the lockdown lifting

Get your buildings ready for the lockdown lifting by undertaking a **precautionary deep clean.**

You'll be making sure your teams feel safe to return knowing you've invested in **professional cleaning** and are taking their safety seriously.

All our deep cleans adhere to the latest government guidelines 'Covid-19 decontamination in non-healthcare settings' and as a member of BICSc you know that we take cleaning seriously!

WHAT'S INCLUDED?

Here to help you...

- Staff equipped with full PPE
- Full isolation of the area to be cleaned
- Full disinfection with chlorine based disinfectant including all touchpoints and high risk areas (in line with your risk assessment)
- Thorough clean of the area inline with industry recognised standards
- Clinical disinfection of the whole area
- Correct disposal of contaminated materials and PPE

What's Next?

Email jacqui.olive@derwentfm.com or give us a call on 0113 531 1000 for more information or to book your deep clean.

Boost your own team

We know that cleaning teams are amongst the unsung heroes of this pandemic and have been put under great strain. We can help by supplementing your current teams when needed. Our cleaners are trained to our high standards so you can be reassured they'll hit the ground running to alleviate the pressure on your in-house cleaners.

National Coverage

We offer national coverage and can clean across 24 hours to suit your business needs.
